Pomona Choice 100 - 100% RENEWABLE OPTION

Customers electing the 100% renewable service option will pay the applicable rate for the default energy plus the 100% renewable premium charge:

ENERGY CHARGE (\$/MONTH) Residential	\$	2.00
--------------------------------------	----	------

Pomona Solar Choice - Residential Solar Customers

With the Pomona Choice NEM Program, you'll receive an energy credit for the power your system provides to the grid. At the close of each month, we'll tally the amount of grid energy you've consumed and contributed. If what you've contributed is more than what you've consumed, we'll issue a credit. If you've used more than you've contributed, you'll be debited. Annually, at the end of your 12-month relevant period, your kilowatt hour usage is evaluated, and if your energy production exceeds your energy consumption, a rebate is issued based on \$.06 per kWh.

As of September 1, 2024, all new solar customers are enrolled in Pomona's new Solar Billing Plan, which mirrors SCE's Solar Billing Plan (aka New Billing Tariff). To learn more about how SCE's Solar Billing Plan works, visit SCE's website at <https://www.sce.com/ar/node/153040>

Pomona Choice 100 - 100% RENEWABLE OPTION

Customers electing the 100% renewable service option will pay the applicable rate for the default energy plus the 100% renewable premium charge:

ENERGY CHARGE (\$/KWH)	Non-Residential	\$	0.00400
------------------------	-----------------	----	---------

Pomona Solar Choice - Non-Residential Solar Customer Options

With the Pomona Choice NEM Program, you'll receive an energy credit for the power your system provides to the grid. At the close of each month, we'll tally the amount of grid energy you've consumed and contributed. If what you've contributed is more than what you've consumed, we'll issue a credit. If you've used more than you've contributed, you'll be debited. Annually, at the end of your 12-month relevant period, your kilowatt hour usage is evaluated, and if your energy production exceeds your energy consumption, a rebate is issued based on \$.06 per kWh.

As of September 1, 2024, all new solar customers are enrolled in Pomona's new Solar Billing Plan, which mirrors SCE's Solar Billing Plan (aka New Billing Tariff). To learn more about how SCE's Solar Billing Plan works, visit SCE's website at <https://www.sce.com/ar/node/153040>
